Thank you for choosing Jeffrey Markett DDS. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

Payment Options:

You can choose from:

- Cash, Check, Visa, Mastercard, or Discover Card
- NO INTEREST Payment Plans² from CareCredit
 - o Allow you to pay over time with NO INTEREST¹
 - o Convenient, low monthly payment plans² also available
 - o No annual fees or pre-payment penalties

Please note:

Our office requires payment prior to the completion of your treatment. If you choose to discontinue care before treatment is completed, your refund will be determined upon review of your case.

For patients with dental insurance, we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.³ We will also offer a discount to our patients without insurance that pay in full by cash or check the same day that the services are rendered, provided no other courtesies have been extended.

For any procedures requiring lab fees, our office requires a minimum initial payment of 50% of the patient's total responsibility at the first appointment to defray lab costs.

Our office charges \$75.00 for returned checks.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.
